## Discussion Guide

### Getting Started

*What signs do you see that people are less socially connected than in the past?*

*Why do you think this is so?*

*What do you think are the most important factors that have allowed other people to have a strong influence in your life?*

*What has been the greatest benefit/blessing for you being in a Community Group?*

### Sermon Interaction

#### **Read Ephesians 4:4-6**

*How should the relationship interaction found in the Trinity motivate us in our need for relationships with other people?*

#### **Read Galatians 6:2**

*What are the potential spiritual consequences of isolating ourselves from other Christians?*

*Why do we often struggle with letting other people into our lives?*

*What advice would you give someone to resist this struggle?*

#### **Read Proverbs 13:20**

*How do Community Groups help to accomplish the first half of this verse?*

*How has your Community Group helped to challenge, change, and even confront you?*

#### **Read Acts 2:42-44**

*What kind of relationship choices did the early Christians make?*

Come up with a list of One Another commands from the New Testament.

*How can your Community Group carry out these "One Another" commands?*

### Moving Forward

*What practical steps can you take to promote the importance of Community Groups?*
