The Doyles ~ Ecuador

The Doyle Family landed in Latin America in 2012. They have been in Ecuador for almost 6 years. Dan has been involved in training & mentoring nationals to go out to plant other churches. We have seen local churches in these countries move from receiving missionaries to sending missionaries! As a couple, we have made friends, seen people come to know Jesus, discipled and mentored.

We have endeavored to prioritize family and not sacrifice family for the sake of ministry and missions.

We have made this decision with the council from our home church, SLI, and several supporting church pastors. We are heading back to live in the United States so that we may care for our three oldest daughters in this time of transition.

We are still working through the details with our home church and Servant Leaders International to confirm what this will look like and where we will live. As of now, the plan is to continue doing what we've been doing (helping the churches in Latin America become sending churches through training and mentoring), but be based in the U.S. We are open to God redirecting us and changing our plans, but this is the path moving forward.

Prayer Request:

- Our main prayer request is for this transition time. We have made many dear friends here in Ecuador and it will be difficult to leave.
- Our plan is to be back in the US sometime around July 19. Prayer for travel and smooth transition.
