Praises to God:

1. Through a combined effort of the school, home and church, multiple children made professions of salvation in Christ and were baptized in 2023-2024.
2. Through the gift of the Lord, EPCS won a large grant to cover some significant HVAC and energy loss issues.
3. We graduated our last small class with just one senior and welcomed a FULL class of 15 freshmen into the High School.
4. We hired several new staff members, including our new Pre-K teacher, from BBCS, Mrs. Stephanie Coons.
5. Through donations, some necessary infrastructure projects such as water and electric updates are being completed, along with construction to continue to secure the building from violent threats.

Prayer Requests

1. For the leadership of the school to stay focused on the mission.
2. For teachers to clearly & effectively feed the eternal souls in their classroom.
3. For protection from the external stressors and threats of the culture, economics and political structure we exist in.
4. For students to genuinely submit their lives to Christ and use their robust classical Christian education to further the gospel in all areas of life right here in Wayne County.
5. For the finances of both the families/staff of the school and the school itself to meet their needs as we are heavily dependent on donations to keep the cost of Christian education affordable.
6. For EPCS to find a new Band teacher, one with specific skills with woodwinds and brass. Psalm 150:3-6
